## A FAINT VOICE IN THE WILDERNESS

I ask no sugar in my tea;  
I ask no salt, if it is shy.  
The dearth of eggs is naught to me,  
And meat I make no move to buy.  
I ask no butter for my bread;  
I gladly cut the coffee out.  
I'll live on steam that issues from  
My little old tea kettle's spout.  
But when I make my sacrifice  
And live on duso weeds and kelp,  
I want to know that what I do  
By giving up is going to help.

## GIRLS' ALUMNAE GAME FRIDAY

The line-up for the girls team of the Maysville High School which will play the Alumnae girls team will be selected from the following girls: Eleanor Wood, Lucy Jones, Corinna Slye, Mary Owens Kelth, Norma Flowers, Katherine Pogue, Anne Farnsworth, Frieda Nauman, Nan Chenault, Louise Rogers, Elizabeth Barbour, Adelaide Davidson, Mary Catherine Pollitt and Abbie Shea.

Miss Heller, the basketball coach, was captain of the basketball team at State College and is a splendid trainer and has gotten her team in good trim for the game Friday night.

## NOTICE

All persons indebted to the estate of Emily Daulton, deceased, will please present same to me, properly proven according to law, for payment and all persons indebted to said estate will please call and settle.

## WOODWARD-RIGGS

Clifton H. Riggs, aged 19, and Audra Woodward, aged 19, both of Fleming county, were granted a marriage license here yesterday and were married at the First Presbyterian Church parsonage by the Rev. John Barbour.

## DRASTIC REGULATIONS

Made By Fuel Administrator Garfield to Relieve Coal Famine—Plants Ordered Closed For Five Days and Holidays Are Made Holidays.

Washington, January 16—In a drastic order to meet the coal famine, Fuel Administrator Garfield tonight directed that beginning Friday all manufacturing plants East of the Mississippi river and in the states of Minnesota and Louisiana except those producing food, shall close down for a period of five days and during the next ten weeks shall close on Mondays and holidays.

The plan received the approval today of President Wilson after its need was submitted to him by Dr. Garfield and Secretaries Baker and Daniels.

State Administrators will be permitted to issue special permits for the use of coal if it appears necessary to meet a grave emergency. This, however, will not be a blanket exception and will not be permitted to be abused.

Theaters will be required to close on Mondays but not during the next five days.

Newspapers will be permitted to use coal for but one edition a day. This applies to both morning and evening papers.

Office buildings may be heated during the five day period to prevent freezing but on the Mondays they must be closed down.

Banks and Trust companies are not included in the order unless the governors of the states specifically declare that they shall be included.

The order makes allowance for any industry which might be put out of business by permitting it to keep its plant heated, but the plant will not be permitted to run.

In the period designated coal will go only to railroads, households, public utilities, ship bunkers, cantonments, naval stations and public buildings.

Under the order during the ten weeks period Monday will be holidays just as is Sunday and stores and shops will be closed. During the five day period specified stores will be permitted to remain open.

Warning is given that provisions of the Lever Food Control bill, under which the order is issued and which carries a penalty of \$5,000 for violation, will be vigorously enforced. The bill gives power to forbid the use or delivery of coal.

Dr. Garfield expects to save 30,000,000 tons of coal during the ten weeks.

## ASSASSIN FIRES AT RPEMIER

Four Bullets Miss Bolshevik Chief, But Companion Is Wounded—Slav Ultimatum to Rumania Threatens War

Petrograd, January 16—Four revolver shots were fired at Nicholas Lenin, premier of the Bolshevik government, today, when he was returning home from witnessing the departure of Red Guards for the front. A Swiss Socialist, who was accompanying Lenin, was wounded in the hand by one of the would-be assassin's bullets.

The first 5000 volunteers of the new Socialist army left for the front today, sped by one of the most enthusiastic demonstrations the city has seen in months.

Red flags lined the route of the parade and scores of bands played revolutionary music.

Ten thousand other volunteers for the new "army of democracy" are now enrolling in the Petrograd district alone.

The volunteers are responding to a special appeal to the people issued by the Bolshevik government and by the Russian commander-in-chief, Ensign Krylenko.

Lenine was unhurt. All four shots went wide of their mark.

War on Rumania unless that little nation, within 24 hours, releases Russian officers held by her, was threatened in an ultimatum served by the Bolshevik government today.

The exact number of Russian army officers who were recently arrested by Rumanian authorities is not known.

Release of M. Diamandis, Rumanian minister, arrested by the Bolsheviks and ordered held in St. Peter and Paul fortress, was ordered by Lenin today.

His action followed receipt of formal protest by the entire Petrograd diplomatic corps, who held a meeting in the American embassy.

Mr. and Mrs. La Rue Tuggle have returned from a short bridal trip and are now at home near Lewisburg.

Miss Elizabeth Schoelter, of Ripley, Ohio, is visiting her sister, Mrs. J. A. Dodson.

Private Richard Thomas has been made clerk of his company at Quantico, Va.

## ROYALLY ENTERTAINED

Were Worthy President and District Deputy of Eagles in Visit To Local Aerie Yesterday.

A royal welcome was extended by the people of Maysville yesterday to Dr. Carl G. Winter, of Indianapolis, Grand Worthy President of the Order of Eagles of the United States, and to Hon. Harry Pelzer, of Newport, District Deputy, upon their arrival here yesterday for a visit to the local order of Eagles.

A committee from the Maysville lodge met the gentlemen at the train and escorted them to the New Central Hotel, where dinner was served, after which the distinguished gentlemen were taken to the Chamber of Commerce to meet the business men of our city and to enjoy an informal smoker.

A formal welcome was extended to the Worthy President and District Deputy by the local aerie at its hall in the Dodson building on East Second street yesterday afternoon at 5 o'clock. In the evening at 8:30 o'clock all the Eagles and their wives together with the honored guests, met around the festal board in the St. Charles Hotel and there enjoyed a most pleasant evening. Speeches were made by the visiting brothers and by some of the members of the local order. The banquet was served in first-class style and was thoroughly enjoyed by all present.

A beautiful leather guest book containing the signatures of all those present at the banquet was presented to the Worthy President as a souvenir of his visit to our city.

Following the banquet all adjourned to Neptune Hall, where dancing was indulged in until an early hour this morning. The ball was one of the most brilliant social affairs of the season. The music for the banquet and dance was furnished by Esberg's orchestra, of Cincinnati.

Dr. Winter and Mr. Pelzer were greatly pleased with their entertainment while here and it is certain they will not soon forget the hospitality shown them by the local order and by the people of Maysville.

## PUPIL AND TEACHER ELLOPE—WERE MARRIED HERE

Carlsale, Ky., January 15—Miss Ava Yates and Frank Martin, both of Nicholas county, eloped today to Jeffersonville, Ind., where they will be married.

Miss Yates is teacher at the Crayton school in Nicholas county, and Mr. Martin was a student at the school. He is about seventeen years of age. Miss Yates is 24 years old.

The above item is from yesterday's Lexington Herald. Mr. Martin and Miss Yates were united in marriage here Monday by County Judge Harry P. Purnell, an account of which appeared in Tuesday's Ledger.

My! How Robert grows—and no wonder says Father—How he eats

## WATER SHORTAGE

Is Faced Here—Supply of Coal at Pumping Station Almost Exhausted—Mayor Russell Takes Steps to Relieve Situation.

Officials of the Maysville Water Company made an appeal to Mayor Thomas M. Russell yesterday to do all in his power to secure some coal for use at the pumping station as the supply on hand now will last for only a few days more.

Several weeks ago the Water Company was faced with the same situation but were relieved when the Ohio Valley Pulley Works came to its aid by supplying a car of coal, which was sufficient to last until a shipment of coal arrived.

Mayor Russell, upon learning of the serious predicament the Water Company was facing, immediately got in communication with Mr. W. S. Taylor, superintendent of the Cincinnati division of the C. & O. railroad, and secured from him a promise to furnish this city with a carload of coal immediately.

Mayor Russell also appeals to the people of Maysville to be as saving with water as possible for unless coal arrives here within the next forty-eight hours the pumping station will be forced to cease operations. No hydrants or faucets should be left running over night or when not in use.

## DEATH OF W. T. RAYBORN

Mr. W. T. Rayborn, aged 87 years, formerly of Orangeburg, died at the home of his daughter, Mrs. G. N. Davis, at Portsmouth, Ohio, Tuesday morning about 7 o'clock, death being due to a stroke of paralysis which he suffered a few days prior to that time.

Besides his daughter, he is survived by two sons, Messrs. W. D. and C. L. Rayborn, of this city.

His remains were brought from Portsmouth this morning and were taken direct to the Bartonville cemetery for burial.

Mrs. W. J. Hoekaday is visiting her mother, Mrs. J. E. Morton, at Greenup, this week.

Captain S. R. Harover returned Wednesday from a short trip to Lexington, Ky.

Mrs. Franklin Douglas, of Flemingsburg, was visiting in this city yesterday.

Amy King, public stenographer, office of County Judge, Court street. Work done promptly.

## A "STRONG PEACE"

While all this peace talk is filling the air, and idealists can almost hear a heavenly choir chanting "peace on earth, good will to men," consider this gentle utterance by General Von Liebig before the conservation congress at Halle, Prussia:

"We must recognize only one principle, that might is right, and must know neither sentiment nor consideration of humanity."

"We will incorporate Courland, bringing in 60,000,000 Russians. We must have Belgium and northern France. The curse of God is upon the French. Portuguese possessions must disappear. France must pay until bled white. We must have a strong peace."

This is in the best Prussian manner. It speaks the heart of the Prussian militarist, who, like the old Bourbons, never learns anything and never forgets anything.

## DON'T WAIT

Take Advantage of a Maysville Citizen's Experience.

When the back begins to ache. Don't wait until backache becomes chronic. "Till kidney troubles develop. Profit by a Maysville woman's experience."

Mrs. R. W. Lauderback, W. Second St., Maysville, says: "Two years ago I was suffering with kidney trouble and had been for a long time. I was nervous and dizzy and had severe headaches. My kidneys were too frequent in action and annoyed me greatly. I had a dull ache across the small of my back and my back was so lame at times that I could hardly bend one way or the other. Some one advised me to use Doan's Kidney Pills and I got a box at Wood & Son's Drug Store. They helped me at once and continued use entirely cured me of the trouble."

Mrs. Lauderback is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that cured Mrs. Lauderback—the remedy backed by home testimony. 60c all stores. Foster-Milburn Co., Props., Buffalo, N. Y. "When Your Back is Lame—Remember the Name."

## FREE TEXT BOOKS FAVORED

Ashland, Ky., January 15.—The State Federation of Labor, which is meeting in convention here, went on record yesterday as favoring free text books for the schools, more salaries for the school teachers, the state owning its own print shop and bindery, and Civil Service for municipal fire-

men and policemen.

In his response to the address of welcome which was given County Judge W. L. Watson, Harry V. Dill, State Representative from Campbell County, stated that the state of Kentucky is losing \$100,000 annually by not doing its own printing and binding.

## MOVED

WE ARE NOW LOCATED AT No. 218 MARKET STREET.

Our quarters at the First-Standard Bank were large enough when we went there. Now they are entirely too small. We now occupy the three floors of the O'Donnell Building. We are still growing.

**J. A. SIMPSON**

Optometrist and Manufacturing Optician.

## FACE the FACTS

LET us face the facts. The war situation is critical. Unless the Allies fight as they never yet have fought, defeat threatens. Hungry men cannot fight at their best; nor hungry nations. France, England, and Italy are going hungry unless we feed them.

**Wheat Savings.**—They must have wheat. It is the best food to fight on. It is the easiest to ship. We alone can spare it to them. By saving just a little—less than a quarter of what we ate last year—we can support those who are fighting our battles. And we can do it without stinting ourselves. We have only to substitute another food just as good.

**The Corn of Plenty.**—Corn is that food. There's a surplus of it. Providence has been generous in the hour of our need. It has given us corn in such bounty as was never known before. Tons of corn. Trainloads of corn. Five hundred million bushels over and above our regular needs. All we have to do is to learn to appreciate it. Was ever patriotic duty made so easy? And so clear?

**America's Own Food.**—Corn! It is the true American food. The Indians, hardiest of races, lived on it. Our forefathers adopted the diet and conquered a continent. For a great section of our country it has long been the staff of life. How well the South fought on it, history tells. Now it can help America win a world war.

**Learn Something.**—Corn! It isn't one food. It's a dozen. It's a cereal. It's a vegetable. It's a bread. It's a dessert. It's nutritious; more food value in it, dollar for dollar, than meat or eggs or most other vegetables. It's good to eat; how good you don't know until you've had corn-bread properly cooked. Best of all, it's plentiful and it's patriotic.

**Corn's Infinite Variety.**—How much do you know about corn? About how good it is? About the many delicious ways of cooking it? And what you miss by not knowing more about it? Here are a few of its uses:

There are at least fifty ways to use corn meal to make good dishes for dinner, supper, lunch or breakfast. Here are some suggestions:

### HOT BREADS

Boston brown bread.  
Hocake.  
Muffins.  
Biscuits.  
Griddle cakes.  
Waffles.

### DESSERTS

Corn-meal molasses cake.  
Apple corn bread.  
Dumplings.  
Gingerbread.  
Fruit gems.

### HEARTY DISHES

Corn-meal croquettes. Corn-meal fish balls.  
Meat and corn-meal dumplings.  
Italian polenta. Tamales.  
The recipes are in Farmers' Bulletin 565, "Corn Meal as a Food and Ways of Using It," free from the Department of Agriculture.

## CORN WILL WIN DEMOCRACY'S WAR

America's Greatest Cereal Crop Is Now Moving to Market.

MAINSTAY IN NATION'S CRISIS.

Surplus Wheat of the United States Has Been Sent to Famine Threatened Europe.

America's great corn crop, exceeding 3,000,000,000 bushels, will save the world's food situation, officials of the United States food administration believe.

Corn is the nation's best food cereal, housewives are beginning to realize. It contains all the elements needed to keep the body in a state of health and when used according to the scores of tried recipes, especially when combined with an added portion of oil or fat, will sustain life indefinitely. Indian warriors in colonial days lived on parched corn alone for many days at a time, and at Valley Forge parched corn was at times the sole ration of the Continental soldiers.

Owing to transportation difficulties caused by the war the corn crop moved more slowly to market this year than ever before. Now, however, the cereal is reaching the millers and consumers. In the meantime the nation's surplus wheat has been sent to Europe.

Today there are approximately 30 bushels of corn for every American. This quantity is greater by five bushels than in former years.

Corn has become the nation's mainstay in the crisis of war.

Just as this cereal saved the first American colonists from famine on many occasions, just as it served as a staple food during the War of the Revolution and during the Civil War, King Corn has again come to the front in the nation's battle with autocracy.

Corn meal is finding greatly increased use in the making of ordinary white bread. Hundreds of housewives and many of the larger bakers are mixing 20 per cent. corn meal with wheat flour to make leavened bread. This kind of a mixture is worked and baked in the same recipes and with the same methods that apply to straight wheat bread.

Corn bread—using corn meal entirely—is gaining a greater popularity than ever before. Housewives are coming to realize that every pound of wheat saved in America means a pound of wheat released for shipment to the nations with which America is associated in the war.

There are a score of corn products that today possess unusual importance for Americans. Corn syrup for sweetening corn cakes and buckwheat cakes and for use in the kitchen instead of granulated sugar is one of the leading products made from corn.

Corn oil, excellent for frying and for every other purpose filled by salad oils, is appearing on the market in large quantities. It comes from the germ of the corn.

MADE-IN-GERMANY LIES CIRCULATED IN CANADA

Canada is also having trouble with Made-in-Germany lies calculated to hinder Canadian food conservation according to an official statement received from the Canadian food controller by the United States food administration.

The stories bothering Canada are of the same general character as those the United States food administration

tor recently denounced in this country, such as the ridiculous sale and bluing famine tales and the report that the government would seize housewives' stocks of home canned goods.

The Canadian food controller estimates that when the people listen to and pass on such stories, each one has the power of destruction that lies in a battalion of soldiers.

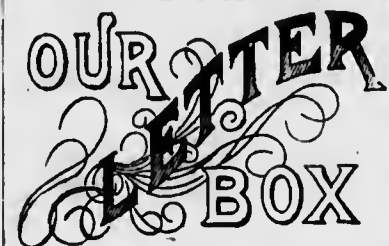

"Stories without even a vestige of foundation have been scattered broadcast," said the Canadian statement. "Nor have they come to life casually. They have started simultaneously in different parts of the country and in each instance have been calculated to arouse public indignation."

"They are insidious, subtle, persistent. Bit by bit they dissipate public trust, the great essential in the work of food control."

"It lies with every individual to forbear from criticism; to refrain from passing on the vagrant and harmful story, and thus the more effectively to co-operate in work which is going to mean more than the majority of people yet realize."

### THE UNITED STATES FOOD ADMINISTRATION SAYS:

There is no royal road to food conservation. We can only accomplish this by the voluntary action of our whole people, each element in proportion to its means. It is a matter of equality of burden and substitution at every point in the 20,000,000 kitchens, on the 20,000,000 dinner tables, and in the 2,000,000 manufacturing, wholesale and retail establishments of the country.

Correspondents will please give facts as briefly as possible. When anything of great importance occurs use the Telegram or the Telephone at our expense.

**COUNTERFEIT HALF DOLLAR IN CINCINNATI**

Quite a few counterfeit half dollars have made their appearance in Cincinnati within the past few days and would be well for the people of the city to be on the look-out for them as they may make their appearance at any time. The counterfeiters are copies of the new liberty bells, but they are a shade off-color from the figure of the Goddess of Liberty is crude, it is said. The metal is lead with a fair mixture of antimony. It is soft, but has a fair ring. On many of the coins the milling around the edge has worn smooth in places.

The Mason County Medical Society will hold an important meeting at 1:30 p. m. Friday afternoon in the office of Squire Fred W. Bauer at the court house. All members have been urged to be in attendance.

## BIG BASEBALL DEAL

Between Philadelphia and Chicago Will Probably Be Canceled Because Grover Alexander Has Been Placed in First Army Draft.

Chicago, January 16—Gloom crowded President Weeghman's office yesterday in the form of a report from St. Paul, Neb., that Grover Alexander, the star pitcher secured by the Cubs from Philadelphia, had been placed in the first draft after filling out his questionnaire. The report came as a blow to the Cub boss.

Alexander, when he was here to confer with President Weeghman, asserted he expected to land in the third class because of an aged mother who is wholly dependent on him. He added that she had no other to take care of her and that she lived with a brother to whom Alexander contributed liberally.

President Weeghman declined to take the report seriously, as he believed that if Alexander were placed in Class 1 he would still take a chance and retain him, figuring that he would not be called for soldier service until late in the season. However, he was wired for information, and it is probable that the deal will be cancelled, as by agreement with President Baker, of the Philadelphia Club. When Alexander and Killifer were purchased from the Philadelphia Club the Presidents agreed that if either the pitcher or catcher was caught in the first draft 30 days before the season began the transaction for the one taken would be canceled. That, of course, still stands.

## DO MOTHERS ERR!

When we hear of so many school girls and girls in stores and offices who are often totally unfit to perform their daily duties because of some derangement peculiar to their sex, might this not have been prevented by the mother who, perhaps through neglect or carelessness, failed to get for that daughter the one great root and herb remedy for such ailments, Lydia E. Pinkham's Vegetable Compound? This old-fashioned medicine is said to have alleviated more suffering of womankind than any other remedy known to medicine.

## DEATH OF MRS. OWEN CARPENTER

Mrs. Owen Carpenter, formerly of Foxport, died at her home in Cincinnati yesterday and her remains will be brought here this morning. The funeral services will be held at Foxport at 2 o'clock Friday afternoon. Interment will be made in the Foxport cemetery.

Mrs. Carpenter is survived by her husband and one child.

## ISHMAEL GRAY

Mr. James Elmo Gray and Miss Arizona Roberts Ishmael, both of Bath county, were united in marriage at the Christian Church parsonage yesterday by Rev. A. F. Stahl. The bride was accompanied by her father and brother.

The Mason County Jail was inspected here Wednesday by the County Commissioners and was found to need repairs in many cases. The matter was taken up and will be attended to at once.

Mrs. James Ross, of West Third street, fell at the corner of Market and Third streets yesterday and severely sprained her arm.

Miss Frances Cochran is ill with the measles at McKee Hall, Oxford, Ohio, where she is attending school.

Mr. Ross Owens will leave tomorrow to attend the funeral of his aunt, Miss Abbie Gates, at Covington.

## THEY GAVE HER VINOL FOR BRONCHITIS

And it Cured Her—Read  
Mrs. Thayer's Letter

West Somerville, Mass.—"I suffered from a severe attack of bronchitis, with a terrible cough, no appetite, no energy, no strength and loss of sleep. The usual remedies failed to help me, but they gave me Vinol and it restored my appetite, stopped the cough and built up my strength so I am able to do my household work again."—Mrs. P. B. Thayer.

We guarantee Vinol for chronic coughs, colds, bronchitis, because it is a constitutional cod liver and iron remedy. Formula on every bottle. Ky., and at the best drug stores in every town and city in the country.

## POULTRY ASSOCIATION

To Be Addressed Friday, January 25, By A. S. Chapin, of U. S. Department of Agriculture.

On Friday, January 25, at 2:30 p. m. a meeting of the Mason County Poultry Association will be held at the Chamber of Commerce. The object of this meeting is to get the standardization plan in Mason county started. This meeting is not to be for the members of the Association only but for every one interested in the betterment of poultry and the good of Mason county.

Mr. A. S. Chapin, U. S. Department of Agriculture of Lexington, Ky., will be at this meeting and he would like to see a good crowd in attendance, as he will then explain the standardization plan as advocated by the U. S. Department of Agriculture.

This plan has been working successfully in many counties of the state and much credit is due Mr. Chapin for the success of the new plan.

About 3,000 eggs will be distributed over this county under this new plan at a very low cost. Why should you pay three and four dollars per setting for eggs of pure bred poultry when under this plan you can get them nearly as cheap as if you were buying only common eggs at store prices.

Let everybody that can attend this meeting and see just how cheap you can get into the pure bred poultry business. You would be surprised after you have had the new plan explained as it will cost you very little.

Let everybody and their neighbors attend. Remember the date January 25, 2:30 p. m.

H. P. PURNELL, Secretary.  
Mason County Poultry Association.

Regular weekly prayer meeting service at the Third Street M. E. Church this evening at 7 o'clock will be led by the pastor, Rev. S. K. Ihm. All are invited to come out and worship.

Butter fat 55 cents a pound at the Maysville Model Creamery this week.
